Submit your reviews! Free Sophos Anti-Virus 8.5.0.0 Review by Amanda Sophos Anti-Virus is the best scanner and protector in the world. This is a must for everyone and anyone can handle it. At last, we can say that the worlds most popular Anti-Virus (anti-spyware) software for Windows and other devices (iPods, mobile phones, Linux, and more) as well as Mac and mobile security protection is from Sophos. Other software of the same kinds Mp3DownloadSoft Review by William I absolutely love this program. I use it every time I download one of my favorite songs (such as Bruno Mars' 'Just The Way You Are'). All I have to do is type in the name of the track I want, and I'm provided with the download URL, as well as an option to download the song as an mp3 file. It's ridiculously convenient, and it works like a charm! Zonbu Review by Elizabeth This program was developed specifically to download online videos without any buffering/download delays. It downloads the videos from where you want, without too much of a wait. There are pre-set time limits for the downloads which enable you to get started as soon as the program is launched. With Zonbu, you will never be stuck with bad or unplayed video. Lock Safe for Internet - 10.6.0.13 Review by Janik While I didn't have an issue with Lock Safe for Internet version 10.6.0.11, I was having some problems with downloading torrent files. It said that the files were corrupted and would not install the torrent file from a magnet link. I downloaded version 10.6.0.13 and the problem is gone, and I am happy as a lark. If you want to quickly find lost or stolen phones and
